

10x ASTRONAUT ACADEMY

TIME TO TRANSFORM THE PLANET

- 10 Hand-picked entrepreneurs, leaders, and disruptors
- 10 Months of high impact, accelerated learning and development
- 10 Ultimate collaborators / 10 Mars-shot projects
- 1 Powerful, life transforming experience

THE 10x ASTRONAUT ACADEMY

Was created out of conversations with leaders who dream about their impact in the world. Game changers, looking to put a ding in the universe that transforms life as we know it - creating a profound gift from one generation to the next.

MAKING THE IMPOSSIBLE... POSSIBLE

What if 10 months changed everything, everything you thought was possible? What if your destination wasn't the future but the space where futures are created? Using the latest in brain science, performance hacking, game theory, and the nature of the human experience - we'll explore, evolve and create worlds - impossible to envision before. Harnessing wisdom, innovation, insight, and inspiration to catalyze an irreversible shift in perspective, consciousness and impact.

PROGRAM PROMISES & POSSIBILITIES

10x	Legacy R.O.I.	10x	Insights & Breakthroughs	10x	Insights & Emergence
10x	Fun & Collaboration	10x	Quantum Leverage	10x	Energy & Life Force
10x	Fulfilling Future	10x	Intelligent Design	10x	Freedom & Innovation
1/10TH	Usual Time & Effort	1/10TH	Isolation & Separateness	1/10TH	Stress & Anxiety

IS THIS EXPERIENCE FOR YOU?

This invitation only program isn't for everyone. The ideal Astronaut is a remarkable and ambitious leader and thinker with a proven track record of success. A dreamer who wants to create a significant and meaningful impact on the planet in this time and space. At its core, the 10x Astronaut Program is a science based commitment to challenge the boundaries of possibility and discover the infinite scope of personal legacy. If you are one of the 10 Astronauts who choose to embark on this 10 month journey, we guarantee your life will be forever changed.

10x ASTRONAUT ACADEMY TIME TO TRANSFORM THE PLANET

DEEP SPACE EXPLORATION & QUARTERLY GUIDANCE IMMERSIONS WITH FELLOW ASTRONAUTS (VIRTUAL)

- Developing evolutionary advantage, boldly changing the game
- Decoding the science of infinite possibility and ultimate performance
- Tapping into our human operating system, inner GPS, and real-time intelligence system
- Developing a new calculus of effortless performance
- Directly sourcing the physics behind the universe
- Navigating the formless, surfing the edge of creation itself
- Tuning into the “space within” for insights, inspiration and innovation
- Understanding & utilizing convergence, divergence, and emergence

MONTHLY ZERO GRAVITY LABS: 90-MINUTE VIRTUAL MASTERMIND SESSIONS WITH FELLOW ASTRONAUTS

- Discovering your massive evolutionary purpose
- Mars-shot engineering – creating new futures
- Holodeck innovation – disrupting the predictable / bending possibility
- Building in wisdom – navigation, telemetry, and early warning systems
- Community genius – amplifying collaboration, partnership, and relationship
- Performance vectors, wormholes, and unexpected leaps
- Operating beyond limits of intellect, experience and decision making
- Leadership to eldership – taking your seat at the fire

ASTRONAUT 1:1 COACHING: INESCAPABLE PERSONAL EXPLORATION AND COACHING (VIRTUAL)

- Exploring blind spots, habitual thinking, and peak performance science
- Upstream explorations before individual psychology and personal thinking
- Building fast twitch, slow twitch, and endurance muscles
- Deep space mastery, the art and science of real-time, moment to moment innovation & creation
- Curated individual coaching for learning, transforming, and evolving

DREAM CREATOR VEHICLE: MARS SHOT PROJECTS

A legacy project so big and so impossible you can't approach it the way you do an ordinary problem! Each participant will create a “Mars Shot” project.

- If you could offer one new future for the world, what would it be?
- If you could solve one problem in the world, what would it be?

DEEP SPACE IMMERSIONS:

June 4th & 5th, August 20th, November 5th, January 14th, 2022

ZERO GRAVITY LABS:

June 2021 to March 2022 ~ 4th Thursday of the month ~ 2 hours

ASTRONAUT 1:1 COACHING:

June 2021 to March 2022

YOUR ASTRONAUT COACHES & SPACEFLIGHT FACILITATORS

ANDREW HOGAN

Visioneer, Business Mystic, an avid traveler. Andrew has worked with thousands of entrepreneurs, leaders, CEOs, businesses, and community groups using 30 plus years of experience in transformative coaching and his proprietary Visioneering process to create powerful futures with clients across the globe.

IAN McKELVIE

Founder of BECAUZ, a firm helping leaders thrive in rapidly evolving markets and dynamic environments. Ian is Master Facilitator and Certified Transformative Coach with decades of experience fueling growth, transforming businesses and inspiring innovation. He blends his perspective from growing up on four continents, with the “magic carpet” insights of a helicopter pilot and an intensely entrepreneurial mind.

ELSA HENDERSON

Elsa Henderson is a certified coach and facilitator, with deep background in process-oriented psychology, growth, and anthropology. She consults internationally with diverse groups — specializing in complex change, network leadership and transformational work. Her breadth of human systems knowledge spans NLP, communications theory, and non-linear dynamics.
